

CARIBOU CONTESTS

cariboutests.com | admin@cariboutests.com | 1 905-378-5710

Get your students excited about math!

Grades 3 - 12

**A different
kind of online
math contest**

In school year 2017/18 35,000 students from 29 countries wrote over 120,000 tests in 6 Caribou Cup contests.

Online tests that include interactive mathematical game questions.

**Students
love Caribou
Contests**

Print certificates about participation and results right after each contest!

Earlier tests and extra material usable privately and in class.

**Teachers
love Caribou
Contests**

Raise students' math enthusiasm and performance.

Detailed feedback comparing own students with all others.

Cost effective and offer free participation for students in lower grades.
